Cushion rails normally require return and inspection before replacements can be sent.

## **ABOUT OLDER PRODUCTS**

Many Valley, Dynamo and Tornado products have been produced over the last 50 years. Some current parts may require modification or customization to work on older tables. Some older tables may have been modified or customized without Valley-Dynamo's knowledge, making use of current factory issue parts difficult or impossible. **There is no warranty or guarantee that current parts will fit all older products.** Valley tables prior to 1999 will require minor modification to use current model cushion rails. Instructions are included with every set of cushion rails. Failure to follow these instructions will damage your cushion rails and is not considered a manufacturing defect.

## **STATEMENT ON CONNELLY BILLIARDS ICON CUSHIONS LIFETIME WARRANTY**

Valley-Dynamo extended a grace period on the prior ownership's Icon cushion warranty for a period extending from our 2011 purchase of Connelly Billiards through June of 2018. This warranty is no longer supported by the current Connelly ownership. There are no lifetime warranties on any Connelly Billiards product.

## **SCOPE OF COVERAGE**

Note that our warranty is not an unconditional guarantee for the duration. Valley-Dynamo products are made to our exacting standards and known for their durability but are not indestructible and may require periodic maintenance in order to function properly. The following are not covered by the warranty.

- 1) Shipping or transport damage
- 2) Normal wear and tear
- 3) Damage or deterioration resulting from neglect, misuse, abuse, accident, liquid spills, improper installation, pets or mishandling
- 4) Incidental or consequential damage (except at Valley-Dynamo's discretion).
- 5) Removal, transportation or installation charges.
- 6) Shipping charges except at Valley-Dynamo's discretion.
- 7) Unauthorized modification of the product.
- 8) Subjective performance claims due to variations in materials beyond Valley-Dynamo's control (rubber, felt, wood, plastic, finishes)
- 9) Use of this product with unapproved parts, conversion kits or accessories
- 10) Damage from fire, flood, lightning or other acts of nature – Valley-Dynamo always recommends using surge-protected outlets

**REMINDER: customers and players can be cruel and careless with products placed on location. As stated in section 3 – abuse or misuse is NOT a manufacturing defect and NOT a covered warranty failure.**

PLEASE CONSULT YOUR OWNER’S MANUAL OR [VALLEYDYNAMOPARTS.COM](http://VALLEYDYNAMOPARTS.COM) FOR COMPLETE DETAILS ON PROPER BATTERY CARE AND MAINTENANCE***

***SPECIFIC NOTE REGARDING HOCKEY PLAYFIELDS - THE MOST FREQUENT CAUSE OF WARPAGE OR LAMINATE SEPARATION ON A PLAYFIELD IS A LIQUID SPILL. LIQUID SPILLS ARE NOT A COVERED WARRANTY FAILURE. NO CREDIT WILL BE ISSUED FOR A PLAYFIELD DAMAGED BY A LIQUID SPILL, OR FOR INCOMING OR OUTGOING FREIGHT FOR THE REPLACEMENT OR RETURNED PLAYFIELD.***

***SPECIFIC NOTE REGARDING LIGHT BULBS – WE DO NOT MANUFACTURE OR SELL LIGHT BULBS SO NO WARRANTY COVERAGE IS OFFERED. ## **EXCLUSION OF DAMAGES**

Valley-Dynamo’s sole obligation and liability under this warranty is limited to the repair or replacement of a defective product at our option. Valley-Dynamo shall not, in any event, be liable for any incidental or consequential damages resulting from interruption of service, reimbursement for transportation and installation, loss of business or revenue, or for liability in tort relating to this product or resulting from its use or possession.

## **LIMITATIONS OF IMPLIED WARRANTIES**
